Office Vacancies

WORK EXPERIENCE

July 2014 – present

Senior Specialist, Fire and Safety, MLC – Marine & Offshore

Lloyd's Register

Lloyd's Register EMEA – Galleria Protti, 1 – 34121 Trieste (Italy) www.lr.org

- In charge of the design appraisal of all New Building Yachts in the Southern European Region to various statutory Codes and Rules (e.g. SOLAS, LY3, PYC, MLC 2006 etc...) and also many other ship's type such as Cruise Ships being built at Fincantieri Yards, Special Purpose Ships, Cargo and Naval ships. My role also includes frequent site visits at various shipyard and client sites (e.g. Kick-Off meeting, Sea Trials, Alternative Design & Arrangements, USCG ICOC etc...) to ensure project outcomes are met. Other responsibilities also include the pre-site overall project management on a number of projects, both for new construction (e.g. Project "Saffron", Fincantieri Yard No.6232) and major refit/revitalisation (e.g. Island Princess, Disney Wonder, HAL refits). I am also managing and over sighting project schedules, financial tracking, contract risk management procedure and issuing associated project documentation and supporting compliance with all legal, statutory and regulatory requirements and assisting the business team in the bid and win process for new projects by accurately estimating time requirements for a range of projects.

January 2013 – June 2014

Team Leader Passenger Ship Support Centre (New Construction)

Lloyd's Register

Lloyd's Register EMEA – Global Technology Centre - 4th Floor, Mountbatten House, Grosvenor Square SO15 2JU, Southampton (United Kingdom) www.lr.org

- Managed a small team of high specialised individuals involved in the passenger ship, yacht and Ro-Ro Pax and Cargo business and responsible to develop and maintain the Department and Sales and Marketing budgets as well as being responsible and accountable for monitoring performance against budget. Responsible for the development, maintenance and implementation of the department Business Assurance system and all matters related to OSH.

January 2009 – December 2013

Senior Specialist, Passenger Ship Support Centre (New Construction)

Lloyd's Register

Lloyd's Register Group Limited. 71 Fenchurch Street, London EC3M 4BS, (United Kingdom) www.lr.org

- Cooperating in developing passenger ship, ferries and yachts segment strategy plans. Project Management of key contracts, including liaison with owners, builders, Design Support Offices and Service Delivery Office, monitoring budget, reporting back to LR management, etc ... Bid management of new projects, this included meetings, client visits, coordination of technical involvement, report writing, over viewing quotations. Support local and area management to deliver and coordinate pre-contract technical advice to clients in respect to new projects. Representing Lloyd's Register in national and international working group, meetings etc....including delivering technical papers. Overseeing and managing R&D projects. Business development both within LR and externally with shipyards, designers, consultancy companies etc...

July 2002 – December 2008

3rd Officer to 1st Officer, Carnival Cruise Line (Passenger Ships)

Carnival Cruise Lines Inc. - 3655 NW 87th Avenue , FL 33178 Miami, United States www.carnival.com

November 1998 – June 2002

Deck Cadet to 2nd Officer, Mediterranea di Navigazione (Tanker, Chemical and Gas Carriers)

Mediterranea di Navigazione S.p.a. - Piazza Caduti sul Lavoro, 3, 48122 Ravenna, Italy www.mediterraneanav.it

- I have gained experience in Tankers, Chemical, Gas Carriers and large cruise vessels, with traditional and azipods propulsion system. Several contracts I was on dry docks for minor and/or major repairs and refitting but also followed the new building, start up and delivery of the Carnival Freedom at Fincantieri's Shipyard. During my career I have cooperate in ensuring all the aspects of shipboard safety relating to guests and crew, follow up on daily ship's stability calculation including fresh water & ballast management control plan, preparing and updating ship's passage plans, checking and operating all bridge instrumentation and navigation equipments (ARPA, GPS, Autopilot, GMDSS, KANEWA, AZIPOD Engine control system, pitch or fixed propeller system), inspecting and maintenance on life saving appliances and fire fighting equipment, being Company representative towards Authorities, Port Agents, Charterers, etc., achieving good knowledge of International Regulations and Codes (i.e. SOLAS, MARPOL, ISM, STCW, ISPS etc..).
