Date **From 01.12.2017 To date**

Position First researcher, permanent position

Main activities Responsible of research projects and publications of scientific articles. Coordinator of research group

Work address Istituto Nazionale di Oceanografia e Geofisica Sperimentale, Via Piccard 54, 34151Trieste

Sector Research

Date **01.10.2005 al 30.11.2017**

Posititon First researcher at contract

Main activities Coordinator of scientific group, responsible of research projet and publication of scientific articles

Referent of Director for the Section of OCE-Biological Oceanography, from 01.03.2013 to 31.12.2016

Work address Istituto Nazionale di Oceanografia e Geofisica Sperimentale, Via Piccard 54, 34151Trieste

Sector Research

Date **01.07.1991 al 30.09.2005**

Position Researcher, permanent position

Responsibilities Responsible and coordinator of projects and author of scientific articles

Work address Laboratory of Marine Biology, Via Piccard 54, 34151Trieste

Sector Research

Date **01.10.1985 al 30.06.1991**

Position Researcher contract

Main activity To collect, and to analyse plankton samples, to elaborate dates and publication of scientific articles

Main activity Laboratory of Marine Biology, Via Piccard 54, 34151Trieste

Sector Research

Date **14.03.1981 al 12.06.1991**

Position Contract teacher

Main activity Teaching of Biology and Natural Science

Address Many High Public Schools

Capacities and social competences

Coordinator of Marine Biology group from December 2016 to date.  
Responsible of Biodiversity, Productivity and Pigments of Autotrophs (BIPPA) Group 2005-2009  
Responsible of Laboratory of Primary Production 2205-2010  
Vice Director of Biological Department from 1 February 2007 to 31 January 2008

Responsibility of research projects and coordination activities

**2017** Coordinator of Biodiversity of marine organisms PortoViro, Service charge (Adriatic LNG)  
**2013- 2016** Scientific responsible (OGS partner) of EU project BALMAS - BALlast water Management system for Adriatic Sea Protection -- IPA Adriatic Strategic Project (Cross Border Cooperation)  
**2012-2015** Collaborator in PERSEUS Subtask1.3.3 ADREX (Adriatic and Ionian Sea experiments)  
**2011-2014** Collaborator in MEDSEA, Mediterranean Sea Acidification in a changing climate  
**2012-2013** Collaborator in MedGes National project  
**2014** Coordinator of Monitoring of Canale Est Ovest LISERT.  
**2012-2013** Scientific responsible for OGS in OLT-LNG terminal FSRU Toscana (Contract CIBM Centro Interuniversitario di Biologia Marina – Livorno)  
**2013** Scientific board and collaborator in Acid. National project  
**2012-2013** Scientific Coordinator in Marine Strategy to produce scientific data for reporting sheets to transmit to EU (Convention OGS- ISPRA)  
**2010-11-** Scientific responsible of the project on Assess of plancton for functioning of polluted ecosystems (Contract ISPRA-OGS\_BIO).  
**2009-12** – Scientific responsible of the project on Identify of microalgae for biodiesel production (Contract Soc. AteA-BIO\_INOGS).  
**2009-10** Scientific responsible of the project BOAT (Boa Algae Tossiche) – Quality and food security of the mussel products (Camera di Commercio di Trieste – INOGS\_BIO).  
**2009** Scientific responsible of the project Ecology and methodology of *Ostreopsis ovata* e spp. (Convention ISPRA-BIO\_INOGS).  
**2008-11** Responsible of the phytoplankton in the monitoring program of waters near Ferriera industries in Trieste. (Soc. Lucchini-INOGS\_BIO).  
**2008-09** Scientific responsible of the project on Microphyta Check list of Italian Seas – II part the benthos (Convention SIBM-BIO\_INOGS).  
**2008** Responsible of phytotoplankton in the monitoring program of the control of the coastal water of Molo I, Arsenale triestino San Marco on caught fire m/n Und Adriyatik. (Capitaneria di Porto di Trieste-INOGS)  
**2007-09** Scientific coordinator of the project ADRICOSM STAR, UO BIO-OGS (Ministero dell’Ambiente e Tutela del Territorio e del Mare- INOGS).  
**2007-09** Coordinator UO Biodiversity pigments and productivity of phytoplankton inside EU project ECOMADR: Ecology of Adriatic Sea (INTERREG III CBC phare Italia Slovenia).  
**2006** Responsible of the project Identifying and distribution of Non Indigenous Species in the Italian seas. (Convention ICRAM-OGS\_BIO).  
**2006** Responsible of the project *Pelagia* multimedial communication Blue Blog and scientific divulgation on the environmental characteristics of Grado lagoon (Contribution of Fondazione Cassa di Risparmio di Gorizia-OGS\_BIO).  
**2005-08** Responsible of the monitoring of the control of the FVG coastal waters – phytoplankton analyses. (Convention of ARPA\_FVG-OGS\_BIO).  
**2005-2006** Coordinator UO phytoplankton in the EU project CADSES: Central European Adriatic Danubian South-Eastern European Space (INTERREG IIIB –LBM).  
**2003-05** Coordinator in the EU project CRAFT 2000/C 324/11 “In situ imaging and recognition of HAB by artificial neural network (HAB-Buoy)”.  
**2003-04** Scientific responsible of the Check list of phytoplankton of the Italian seas – I part: Plankton (Convention Ministero dell’Ambiente e Tutela del Territorio-LBM).  
**2003-04** Scientific responsible UO-LBM in the program “Activities for a Guide to recognize the phytoplankton” (Convention ICRAM- LBM).  
**2002-04** Coordinator of research project “Impact and prevention of ballast waters” (Convention ICRAM-LBM).  
**2001-06** Coordinator of UO LBM Phytoplankton and Primary Productivity in EU Monitoring of Alto

Adriatico – Study of trophic state and anomalies in North Adriatic Sea INTERREG III CBC Phare Italia- Slovenia, Misura Acqua, Asse A, Regione FVG.  
**2000-04** Coordinator of the project “Interannual and seasonality variability of the plankton system” SINAPSI National Project (CNR-LBM).  
**1999-01** Coordinator UO LBM in the EU project “Dinoflagellate Categorisation by Artificial Neural Network (DiCANN)” MAST MAS3-CT98-0188  
**1999-04** Coordinator of phytoplankton group in the project Restoration of Grado Pineta litoral. (Comune di Grado –LBM)  
**1998-2001** Coordinator UO LBM Primary Productivity and Phytoplankton in the EU project Monitoring of North Adriatic. INTERREG II Italia-Slovenia, Misura Acqua, Asse A, Regione FVG.  
**1998-99** Scientific responsible of project on Natural detossification of mussels (Contract NOVIMPRESA, AREA Science Park–LBM).  
**1996-98** Scientific responsible of project 2 “Biogeochemical cycles of Carbon in living parameters” national project PRISMA 2 (Convention CNR-LBM).  
**1996-98** Scientific responsible of the project “Potentially toxic microalgae in the Gulf of Trieste” (Convention Direzione Sanità Regione FVG-LBM).  
**1995** Responsible of the project on Valuation of the impact for authorization of bathing in Muia turistica S.r.L.  
**1991-2005** Coordinator UO phytoplankton in the monitoring of the coastal waters of FVG. Ministero Ambiente e Tutela Territorio (Convention Regione FVG-LBM).  
**1991-93** Coordinator UO plankton in the project Toxicity from microalgae in mussels of the Gulf of Trieste (Regione FVG-LBM).  
**1989-91** Scientific Responsible of a environmental study on Pontine Isles in the Tirreno Sea (Contract Department of Animal Biology, Università La Sapienza di Roma-LBM).

(Cross Border Coop  
 Organizzative  
 capacities and  
 scientific  
 collaborations

**2013-2017** Collaborator at EU project EUROFLEETS 2, New operational steps towards an alliance of European research fleets. (FP7).  
**2012-2014** Collaborator at EU project PERSEUS- Policy – Oriented marine Environmental Research in the Southern European Seas. (FP7 Grant Agreement N. 287600).  
**2012-2013** Collaborator at national project MedGES- Integrated study in the physical processes and anthropic factors on the coastal and deep ecosystems in the Central Mediterranean.  
**2012-2013** Collaborator at national project CO2 monitor – Innovative technologies for the CO2 storage monitoring.  
**2011-2013** Collaborator at EU project Med Sea – Mediterranean Sea Acidification under changing climate.  
**2011- 2013** Collaborator at EU project Env Europe- Environmental quality and pressure assessment across Europe: the LTER network as an integrated system for ecosystem monitoring (LIFE ENV/IT/000399).  
**2011-2014** Collaborator at EU project ECO2: Sub-seabed CO<sub>2</sub> Storage on Marine Ecosystems. (EU Project FP7, Ocean 2010-3, Sub-seabed carbon storage and the marine environment).  
**2008-09** Collaborator at national project VECTOR: Vulnerability of coasts and Italian marine ecosystems to climate changes and their role in Mediterranean Carbon cycle Carbon (INOGS).  
**2008-09** Collaborator at EU project SESAME, Southern European Seas: Assessing and Modelling Ecosystem changes. (EU project FP6, Sustainable Development, Global Change and Ecosystems).  
**2008-09** Collaborator at project EGLACOM: Evolution of a Glacial Arctic Continental Margin: the Southern Svalbard ice stream-dominate sedimentary system (INOGS, national contribute to International Polar Year).  
**2006-07** Collaborator CO2 Geo Net-European Research Infrastructure on CO2 Geological Storage.  
**2002-03** Collaborator at Eolide: plankton and trophic nets in Eolie Isles” (ICRAM-LBM).  
**2001-03** Collaborator at national project on Climatic cycles of quaternary registered in marine sediments in Adriatic Sea Finanziamento MIUR (Università di TS Dipartimento di Geologia- LBM).  
**1999-2001** Collaborator at EU project (SMT4-CT98-2241) BEQUALM: Biological Effects Quality Assurance in Monitoring Programme. Phytoplankton assemblage analysis (BEQUALM WP11).  
**1997-99** Collaborator at project on Assess of mussel impact in the Gulf of Trieste (Convention LBM-Regione Friuli Venezia Giulia).  
**1996-2006** Collaborator UO Biology at national project CLIMA: Climatic Long-term Interactions of the Mass balance in Antarctica- PNRA. (Università di Trieste – LBM).  
**1996-98** Collaborator at national project PRISMA 2 subproject 1 “Plankton communities characterizing water masses” (Convention CNR-LBM).  
**1995-97** Collaborator at national project PRISMA 1 subproject Descriptive oceanography and Adriatic dynamic – Seasonal dynamic of the abiotic and biotic components in Adriatic Sea. (Convention CNR-LBM).

**1995-97** Collaborator at national project PRISMA 1 subproject Evolution of the trophic characteristics of the coastal line. (Convention CNR- LBM).  
**1994-95** Collaborator UO Stazione Zoologica in Naples at national project ROSSMIZE Antarctica–Antarctica National Programme (PNRA 1994-95).  
**1989-90** Collaborator at National Project Magellano, Regioni Periantartiche, PNRA (University of Trieste, Department of Biology – LBM).  
**1989-90** Collaborator at the study of trophic conditions regarding phytoplankton in the Lisert Channel, Locavez (Gorizia) in 1989-1990 (Contract ENEL-CRTN – Department of Biology, University of Trieste).  
**1989** Collaborator at the monitoring of Lignano and Grado litoral. (Convention Laboratory of Marine Biology of Trieste and Aziende di Soggiorno of Lignano e Grado).  
**1988** Collaborator in the project on Effects of cloruro di vinile from m/c "Montanari" in Central Adriatic in 1988. (University of Trieste, Department of Biology - ICRAM).  
**1988** Collaborator at strategic project Oceanography and Marine Tecnologies, Sottoprogetto Fluxes of particulated and dissolved substances (Università di Trieste Dipartimento di Biologia - LBM).  
**1986-87** Collaborator at 1 and 2 Montedison for phytoplankton analyses in the Gulf of Venezia (Convention of Department of Biology of the University of Trieste and Montedison Porto Marghera).  
**1983-91** Collaborator at national project ASCOP: Italian-Yugoslavian Monitoring Program for the Protection of the Adriatic Sea. (Ministero degli Esteri –University of Trieste).

Technical competences | Partecipazione at many oceanographic campaigns in Adriatic Sea (ASCOP, Oceanography Strategic Projects, PRISMA1, PRISMA 2, ISPRA) and 4 cruises in Ross Sea - Antarctica (PNRA 1994/95; 1998; 2003 e 2006).

Organizative abilities | **2017** Organizing of the Annual Meeting of the Group of Italian Algologes, Camera di Commercio, Trieste 10 -11 November  
**2010** Organizing Committee Congress on Temporal variables and metereological and oceanographycal characteriscs of Northern Adriatic: Gulf of Trieste situation. Trieste, 2-3 December.  
**2008** Collaborator in brochure and stand INOGS , Fiera INNOVATION, Udine February.  
**2005** Organizing Committee 36° Congresso SIBM, Trieste 9-13 May.  
**2001** Manager of Session SS34 “ Impact of mariculture” ASLO American Society of Limnology and Oceanography, New Mexico (USA), February.  
**1994** Organizing Committee of Course in Algology for Soc.Botanica Italiana, Trieste June.  
**1993** Manager of the Course of Intercalibration of phytoplankton for the coastal monitoring (Convention Ministero Ambiente- LBM), Trieste, 5-6 April.  
**1992** Organizing Committee for the preparation of Adriatic Sea Primary Production project (application of Sea Wifs to a variable PP System), Trieste, June.

Capacities and teaching abilities | **2018** Teacher in Master Blue gorwth, University of Trieste, 12 and 14 March  
**2018** Teacher in the Course Multi-technics for the study of the ecology of phytoplankton, University of Federico II, Naples, 19-23 February  
**2017** Teacher on Aliens that arrive from the sea, University of III age, Trieste, 12 gennaio  
**2016** Training of Fundamental Concepts and processes of the marine strategy framework Directive. Antalya (Turkey), 7-9 November.  
**2014** Flash Forward, Una nave carica di...alieni, OGS Borgo Grotta Gigante (TS), 13 March.  
**2014** Microalgae biodiversity in marine, lagoon and ballast waters, Summer School of Marine Biology, Section OCE BIO, September.  
**2013** Waterwise, Trieste NEXT, September.  
**2013** Index of environmental quality, Summer School of Marine Biology, Section OCE BIO, September.  
**2013** Phytoplankton as bioindicator, Summer School “Monitoring of the coastal environment” BIO, June.  
**2013** Phytoplankton: contribute at functioning of the marine ecosystem. Conferenza docenti, Monfalcone Scuola Duca D’Aosta, April.  
**2013** Our future in the microalgae? Associazione culturale Il sentiero della terra, Palazzo Attems, Gorizia, 13 April.  
**2013** Phytoplankton, Short Course, BIO, April.  
**2012** Biofuel and other application from microalgae, Zero Emission, Fiera di Roma, Scientific research as support of food resources, Trieste NEXT, September.  
**2012** Phytoplankton Course of Marine ecology, BIO September.  
**2012** Summer school “Monitoring of coastal waters”, BIO, June.  
**2012** Workshop on, LGT Terminal in Trieste, BIO, June.  
**2012** Biologist profession in the research. Aula magna, University of Trieste, May.

**2011** Teacher in Summer School of Marine Biology “Oceanography and climate changes”, Liceo Scientifico Galileo Galilei, Trieste, September.  
**2010** Teacher in Summer School of Marine Biology “Mussels and mussel farms”, Liceo Scientifico Galileo Galilei, Trieste, June.  
**2009-2010** Contract professor in the Systematics of algae course, University of Trieste.  
**2006-2007** Contract professor in Ecology course, University of Trieste.  
**2006** Workshop on Effects of productivity of mussels, Specialisation School in Aquaculture, University of Udine, May.  
**2006** Workshop on Biological risk of coastal waters and ecological impact of maritime traffic. For teachers of Istituto Nautico, Trieste (organizzazione CIGRA), April.  
**2005-2009** Teacher in Summer School, Laboratorio di Biologia Marina, Trieste  
**2005** Workshop, University of Lecce, Master in Biomonitoring.  
**2000-2005** Teacher in Applied Ecology Course, University of Trieste.  
**2003** Workshop on Occurrence of toxic microalgae: a problem for mussel farm? Specialisation School in Aquaculture, University of Udine, December.  
**1997-2007** Teacher in ENAIP, IRFOP, IRSIP, ENFAP Courses for high school in UD, TS and GO.  
**1993** Teacher in Formative and professional course for USSLL personal of Puglia region 1993.  
**1991 e 1993** Teacher at Università degli Studi di Potenza, Master in Aquaculture.  
**1987-2004** Teacher at the Course of Marine Biology, University of Trieste.

**April 2018-December 2018** Tutor of fellowship ICTP in the frame Training and Research in Italian Laboratories TRIL dr. Baya Aissaoui, Tunisia

**September 2016-July 2018** Tutor of master ICTP in the frame Sandwich Training Educational Programme (STEP) with University of Ghana, Dr. Dzifa Denitsui

Cotutors and tutors of 14 degree, 3 post doctoral, 1 Master and tutor of many stages and collaborations with public high school and National and international Institutes (ICTP).

Member of Commission for State habilitation for the biologist profession, at Università degli Studi di Trieste, I and II sessions aa 1996; in I and II sessions aa 1999, I and II sessions aa 2017.

#### Divulgation activities

**2017** Conference on Biodiversity and alien species through ballast waters in the port of Trieste, Società Monfalconese Mutuo Soccorso, Monfalcone, 1 December

**2017** Conferenza on Alien species and biodiversity in the Gulf of Trieste, Associazione Naturalisti Alvisè Comel, Museo Comel, Gorizia, 24 November

**2017** Conference on Biodiversity and alien species in the port of Trieste, Caffè Teatro, Gorizia 14 April

**2016** Lega Ambiente, Marine Strategy and marine litters. Caffè San Marco, 29 Novembre.

**2016** Conference on Alien Species by ships, Terramare, Lignano Sabbiadoro, 24 June

**2016** Conference on Alien Species by ships, Grado, 22 June

**2016** Infoday on BALMAS project, Trieste 11 March.

**2015** World Animal Day, Biodiversity in the port and in the ballast waters, Oratorio San Giacomo, Trieste, 5 October.

**2015** Communication at OGS Scientific Board on BALMAS project, Sgonico, 30 September

**2015** Conferenza su Biodiversity in the port and in the ballast water, Caffè San Marco, 16 June

**2014** Infoday on BALMAS project, Trieste 5 December.

**2014** Infoday on BALMAS project, Ferrara 19 September.

**2014** Activity of dissemination BALMAS, Trieste 7 July.

**2014** Activity of dissemination BALMAS, Venezia 19 June.

**2014** Infoday on BALMAS, Ancona 5 June.

**2013** Coordinator of the Workshop on Marine Strategy, CNR, Roma, 13 December.

**2011** Environmental management of the ports: ecological functionality and sustainability. Area Science Park, October.

**2011** State of healthy of Panzano Bay and Isonzo river. Lega Ambiente, Young Center, Monfalcone, 24 February.

**2010** Conference on Invisible biodiversity: microorganisms useful for sea life. Circolo aziendale Assicurazioni Generali, Trieste 16 June.

**2009-11** Participation at Night of the researchers, Trieste, September.

**2008** Conference on Invisible biodiversity. Caffè scientifico, Grado, 8 August.

**2006** Conference on Antartica, Rotary Club, Pordenone.

**2004** Conference on Antartica, Lions Club, Azzano Decimo.

**2004** Roma, EUR, Hotel dei Congressi, workshop on Framework 2000/60 “Phytoplankton index”.

**2004** Invited lecture on *Ostreopsis spp.*, *Coolia monotis* and *Prorocentrum mexicanum* in Adriatic Sea. How many risks HAB? Istituto Superiore di Sanità, Roma  
**2004** Conference on Coastal and lagoon waters of Gorizia provincia, Sala della Provincia, Gorizia.  
**2003** Conference on Italian Expedition in Ross Sea in 2003, Croce Rossa, sala della Provincia, Gorizia.  
**2003** Conference on Antartica, Auditorium Linguistic gymnasium Paolino d'Aquileia, Gorizia.  
**2000** Conference on The state of the Gulf of Trieste, Lega Ambiente, Trieste.  
**2000** Meeting of "Opportunity of innovation in mussel farms" reporting on 13<sup>o</sup> International Conf. on Molluscan Shellfish Safety" (South Hampton USA), Area Science Park, Padriciano Trieste.  
**1999** Conference on Environment and biodiversity Settimana Nazionale dell'Educazione Ambientale, Scuola media Addobati – Brunner, Trieste.  
**1998** Conference on "The sea flowers" Miela Theatre, Trieste.  
**1997** Relator in 7<sup>o</sup> Congress on Innovation of the mussel farms in the Trieste Gulf. ICTP, Trieste.  
**1991** Relator in National Congress "Ambiente marino, salvaguardia e valorizzazione", Lecce October.

Invited at many local and some national TV and radio interviews

#### Scientific nominations

Valuator of Danish Council for Strategic Research, Programme Committee on Sustainable and Environment, Danish Agency for Science and Technology, Ministry of Science, Innovation and Higher School.

Component ICES Working Group on Introduction and Transfer of Marine Organisms.

Reviewer of Galileo, programme of scientific cooperation Italia and Francia

Reviewer of the projects to promote scientific research and technological innovation for Sardinia region

Reviewer of oceanographic cruises proposal –CNR progetto Attività Oceanografiche

Reviewer of manuscripts for fellowship International and National Scientific Journals:

Estuarine Coastal and Shelf Science,

Marine Ecology,

Marine Pollution Bulletin,

Journal of the Marine Biological Association of the UK

Biologia Marina Mediterranea,

Atti congressi SIBM, AIOL, SiTE.

Editor – Meteorologie di studio del plancton marino ISPRA

Guest editor - Special Issue Estuarine, Coastal and Shelf Science

Member Ballast Water Management Sub Commission (BWMS)

Member of Gruppo di Lavoro Marine Environment Italian Oceanographic Commission

#### Scientific Associations

Member of SiTE, AIOL e SIBM.

Coordinator of Dissemination and Divulcation group of SIBM

Elected in Directive Council of SIBM 2013-2015

Elected in Directive Council SIBM 2010-2012.

President of Plankton Committee SIBM 2005-2006

Secretary of Plankton Committee SIBM 2004-2005

Other capacities and competences

Promotor of collaborator agreement between INOGS e Universidad Tecnologica Nacional di Mar del Plata

Proposal of a patent of a sedimentation system in sea Schnabl (SAMS) collaboration with SISTER.

Driver license – B type
